

On 16 - 17 June 2013, Uttarakhand witnessed cloudbursts and flash floods in the upper reaches of Himalayas causing extensive damage in Chamoli, Rudraprayag, Uttarkashi, Tehri, Bageshwar and Pithoragarh

Uttarakhand Disaster Relief & Rehabilitation Initiative

- CII formed a Special Task Force to put together a relief and rehabilitation program under the aegis of CII Foundation.
- Extensive consultations were held with the State Government, District Officials & other Humanitarian agencies.
- Ground survey conducted from 29th June to 3rd July 2013 in the districts of Rudraprayag & Chamoli to identify the immediate needs.
- 14 relief camps organized - distributed tents, water purifiers, solar lanterns with mobile charging facility, cots, mattresses, quilts, blankets, hygiene items, shoes, mats & torches to needy.
- Medicines provided to district hospital, Rudraprayag & construction & road repairing equipment to the district administration of Rudraprayag.
- 752 families from 118 villages of Rudraprayag & Chamoli districts benefited. Local NGOs also supported with relief material.

REHABILITATION INITIATIVE

The rehabilitation initiative has following components

REBUILDING SCHOOLS IN DISTRICT TEHRI GARHWAL

8 completely damaged primary and upper primary schools to be reconstructed and furnished. Three year intervention to strengthen the quality of education at these schools also planned.

SKILL DEVELOPMENT & LIVELIHOOD INTERVENTIONS

for 250 youth/women from disaster impacted areas. Interventions include drives for recruitment/ training programs, training on employment oriented courses and supporting rural livelihood projects.

REBUILDING ITI SRINAGAR, PAURI GARHWAL

The disaster damaged ITI building is to be relocated and reconstructed. To enhance the employability of the passouts, CII Foundation is committed to set up an IT Center cum CAD Lab and to also provide state of art machines for some of the other labs.
