

GREENER TOMORROW

WORLD ENVIRONMENT DAY CONFERENCE

Date: 9 June 2025

Venue: Silver Oak Hall, India Habitat Centre, New Delhi

CII Foundation is organising a conference of environment champions on 9 June 2025 anchored with the **World Environment Day** celebration. The **2025 United Nations theme #BeatPlasticPollution**, underscores the need for urgent, inclusive action for the future of the planet and its people. The conference aims to unite stakeholders for celebration of their exemplary work on the ground and deliberate ways to champion environmental solutions in key areas such as plastic pollution, waste management, air pollution, rural transformation and climate adaptation.

CII Foundation and various CII units are actively engaged in a range of impactful on-ground initiatives addressing key environmental issues across the country, often in partnership with local governments and businesses, and empowering local communities, women, youth, and farmers etc.

The conference will spotlight innovations, strategies, and best practices in environmental stewardship, reinforcing CII's commitment to people and planet positive action that is inclusive, scalable, and impactful.

Program Agenda

(Monday, 9 June 2025)

Venue: Silver Oak Hall, India Habitat Centre, New Delhi

Time (IST)	Session
11:00 – 11:30	Registration
11:30 – 12:30	Inauguration – Lighting of Lamp Welcome Address by Sunil Misra, CEO, CII Foundation Address by Seema Arora, Deputy Director General, CII Keynote Address by Guest of Honour Dr. Bhaskar Chatterjee, <i>Chairman, MSD 10, BIS. Former DG & CEO -IICA</i> <ul style="list-style-type: none">• Documentary – Karwan Swachh Hawa Ka – on CII's initiative being executed across 1000 villages in Punjab & Haryana in partnership with key industry partners (5 mins)• From Smoke to Solutions: The Zero-Burning Revolution (Release of Coffee Table Book) Vote of Thanks by Chandrakant Pradhan, Program Lead, CII Foundation
12:30 – 13:45	Collaboration to tackle stubble burning – A roadmap for 2025

	<p>This session will explore to effectively tackle stubble burning – for which a multi-pronged collaborative approach is essential. This includes developing effective communication that resonate with farmers; scaling up and making accessible technological solutions and innovations in in-situ and ex-situ management of stubble; fostering research and development collaborations between agricultural universities, startups, and industries to drive tailored solutions to local contexts. Furthermore, the success of this roadmap hinges on strengthening enforcement mechanisms and accountability at all levels, coupled with ensuring seamless coordination between central and state governments to create a unified and effective policy framework. This framework must include streamlining subsidy schemes and making them effectively accessible to farmers to incentivize the adoption of sustainable practices, all within the context of developing clear and consistent long-term policies that provide farmers with the stability and confidence needed to invest in and embrace these alternatives.</p> <p>A number of corporates in partnership with CII are championing a field initiative covering 1000 villages in Punjab and Haryana to address farm stubble burning in a holistic manner.</p> <p>Panel Discussion <u>Panellists</u></p> <ul style="list-style-type: none"> • <i>Dr. Makhan Singh Bhular, Director of Extension Education, Punjab Agriculture University, Ludhiana</i> • <i>Dr. Mukesh Jain, Director, Northern Region Farm Machinery and Training and Testing Institute NRFMTTI, Hisar</i> • <i>Mr. Shubham Singh, Co- Founder & CEO, Craste</i> • <i>Ms. Tania Chatterjee, Head, Sustainability & CSR, NatWest</i> • <i>Mr. Sandip Das, Financial Express</i> • <i>Name- Dr. Kanishk Verma</i> <i>Designation- Senior research fellow</i> <i>Department of Renewable and Bio energy, Haryana Agriculture University, Hisar</i> • <i>Mr. Ramesh Kumar Chauhan, Farmer & President, Thakur Agriculture Multiple Society (Custom Hiring Center), Fatehabad, Haryana</i> • <i>Mr Amandeep Singh, Innovative Farmer, Ludhiana, Punjab</i> • <i>Mr. Arshvir Singh Saini, Student Eco Champion</i> <p><i>Moderated by Mr. Niraj Singh, IOCL</i></p>
